

Kindergarten Friends! As you prepare for First Grade over the summer don't forget to read! Remember at least once a day. Use the decodable books/easy readers that were sent home every week. Bring them in the car on the way to the beach, give them a quick read! Also, don't forget to keep going through and practicing your High Frequency Word flashcards for September as well!

"The more you read, the more things you know. The more you learn, the more places you'll go!" - Dr. Seuss
